## Proposed Routing Of Freeway Aired For Donner Region

### Resort Owners Request 40 Be Maintained After Freeway Built

Resort owners and other residents on Donner Summit apparently will approve of the new four-lane freeway, to be located a mile and three quarters north of the present pass, providing an adequate snow removal program is inaugurated to assure keeping the present route to the heavily populated and popular ski area in the Soda Springs region, free of snow.

This opinion was expressed at a public meeting conducted by J. W. Trask, district engineer for the division of highways, at Veterans' Memorial building here Tuesday and attended by 150 interested people.

**Donner Requests**

Some difference of opinion regarding the routing north of Donner Lake, however, were voiced by businessmen in that area. Ed McReynolds urged that a study be made in an effort to bring the interchange closer to the east end of the lake. It is now near Donner Monument in the plans submitted by Trask and his staff Tuesday.

Thomas Armstrong of Armstrong Realty at Donner Lake asked that an interchange be established above Donner at the west end to permit easier access to the beautiful resort and business area. Trask said both requests would be given full consideration.

Walter Haug, manager of the extensive Sugar Bowl properties on the summit and Tony Richter of Donner Ski Ranch were among those requesting that steps be taken to provide adequate snow removal on the existing highway after the freeway is constructed and the counties of Nevada and Placer are handed the present road.

**Officials Speak**

C. Edmunds of Truckee asked that State Senator H. T. Johnson and Supervisors H. G. Loehr and Guy N. Robinson of Nevada county, and Frank Paoli, A. A. Anderson and W. J. Waddle of Placer county, all present at the meeting, explain what could be done to provide the snow removal service.

Johnson declared he would do everything possible in his capacity to see that more money for the purpose was supplied by the state to the counties and the supervisors said they would exert every effort to satisfy the resort owners and other residents in the affected area.

**New Route**

The route as presently being considered leaves the present U.S. 40 at Donner Monument and swings north going from a quarter to a half mile north of the lake to a point near the 6000-foot level. From there it continues north and west crossing the summit near East Lakes and rejoining the present road just west of Donner Summit Lodge.

This freeway will cost approximately $10,000,000, while other routes contemplated and involving tunnels, would cost up to four times that amount. Trask explained that since the federal government pays about 90 percent of the bill, it is important to confine the route to specifications designed to meet the best possible standards at the lowest cost.

The route will not be started immediately and it was indicated five years may be required to complete the job.

**Telegram Read**

The attitude of the summit people was pretty well summarized in a telegram read by Senator Johnson from Art Wisson, chairman of the Bay Area Ski Federation, which read:

The Bay Area Ski Federation, representing 20 ski clubs in the San Francisco bay area and speaking for 10,000 local skiers, wish to recommend an improved highway over Donner Pass but strongly request assurance for continued adequate snow removal to the existing resorts and lodges of our member clubs.

Adoption of the route will be delayed pending action by the two boards of supervisors, Trask said, to determine whether or not a highway commission hearing will be necessary.

**While no direct opposition to the rerouting of U. S. Highway 40 over Donner Summit was voiced at the public meeting conducted here on Tuesday by District Engineer J. W. Trask and his staff from Marysville, resort and club owners in the Soda Springs region asked that adequate steps be taken to keep the present road—to be turned over to Nevada and Placer counties—open and free of snow during the winter. The new route is outlined in the above drawing. It leaves the present road near the Donner Monument and rejoins it just west of Donner Summit Lodge. Adoption of the route awaits action by the supervisors of the two counties affected. It will cost approximately $10,000,000, 90 per cent of which will be paid by the federal government.**

## Tahoe Hatchery Is Being Closed As Economy Measure

Scheduled for closing by the California Department of Fish and Game for the forthcoming fiscal year is the Tahoe fish hatchery.

The 1957-58 fish and game budget of $8,704,974 was approved by the commission at its October meeting in San Francisco. This represents a reduction of $691,349 from the current year's budget of $9,396,323 and it is estimated that the expenditures during the coming year will exceed the income by $851,144 under the proposed budget.

The report from the commission says, in part:

"An important factor in the savings will be the closing of several small, uneconomical installations. In most cases their production will be transferred to more efficient plants elsewhere. This will save money but will still maintain the same level of service to the sportsmen," the commission noted. The personnel likewise will be transferred to other installations where job openings exist.

Other installations scheduled for closing are those at Porterville, Los Banos, Valley Center and Castaic game farms; Yosemite and Tahoe hatcheries and the Madeline Plains waterfowl management area.

Work of dismantling the Yosemite hatchery is already underway and the Prairie Creek hatchery in Humboldt county and the Eastside Reservoir trout rearing ponds in Napa county have already been closed.

## Three Dead After Car, Truck Crash Near Hirschdale

### Locals Injured When Truck Plunged Into River In Truckee

**The third victim of the fatal crash has been tentatively dentified as Lexie Kimmel, wife of of the driver.**

**Three people were killed and a fourth critically injured Wednesday shortly before noon when a car driven by Ray Kimmil, 54, Clarksburg, crashed headon into a truck driven by Wayne M. Woods, Homedale, Idaho, three miles east of Hirschdale.**

**Killed were the driver, Mrs. Lucy Gilbert, 30, Reno and a second unidentified Indian woman about 30 or 35.**

**In the Tahoe Forest Hospital not expected to live is David Epps, 42, Aberdeen, Utah.**

**Woods and his passenger, Albert L. Erickson, Nampa, Idaho, escaped injury but both the truck and car were demolished. The dead were taken to the Truckee Colonial Mortuary by Coroner Alvah Hooper and Deputy N. F. Dolley. The investigation was made by Sgt. Frank Snyder and Patrolman T. F. Sheehan of the highway patrol.**

**Kimmel was cited by Patrolman Bud Meixner for "running" the chain control, resulting in his car crashing into a snow bank Tuesday.**

**LOCALS HURT**

Three young Truckee people were hurt and narrowly escaped death when a truck driven by Ray Brown, 19, son of Mr. and Mrs. Gale Brown of Truckee, plunged over the river embankment on Bridge street and into the river Saturday evening at 8:30.

In nthe cab with the driver were Miss Sandra Lee Tremayne, daughter of Mr. and Mrs. Dave Tremayne and Miss Roselee Kaspian, daughter of Mr. and Mrs. George Kaspian.

For some unaccountable cause, the truck swerved as it neared the bridge and plunged headon down the steep embankment. All three of the occupants were thrown out, Miss Kaspian going into the river but quickly rescued. Brown suffered serious head injuries and the two girls were treated for minor injuries and shock at the Tahoe Forest Hospital.

State Patrolman T. F. Sheehan is making an investigation.

**Four Injured**

Four people were injured Sunday at 1 a.m. five miles east of Truckee when the car driven by John I. Mazzini, 60, Cedar Ridge, got out of control and was wrecked. Taken to the Tahoe Forest Hospital by Truckee ambulance were Frances E. and Donna Mazzini, Clayton Graybill and Ulrizh Stalder of Grass Valley. The driver was cited by Patrolman Sheehan.

**Local Car Over**

Occupants of the car driven by Orlin Waters, 35, Truckee, escaped injury when the vehicle went over an embankment a mile west of Cisco Grove Friday at 10:30 a.m. Patrolman Martin Sturcke made the investigation.

**Cars Collide**

Cars driven by Bertha K. Touge, Crystal Bay and Walter Lubowski Gregory of Orlinda collided at Tahoe City last Wednesday but no one was hurt. Patrolman William Gautsche investigated.

**Hit By Truck**

Louis Ponti, Daly City, told the highway patrol that his car was struck by a truck 12 miles east of Truckee Saturday morning at 4 a.m. He said he was between two cars when the truck sideswiped him. The truck driver said he would see him in Truckee but when he arrived the truck was gone. Investigation is pending.

**Two Injured**

James E. Jones, Sacramento, was cited for being on the wrong side of the highway after his car and one driven by John R. Johnson, San Francisco, collided east of Truckee Saturday morning. Timothy Brown, 4, and Jones were injured. Patrolman Carroll Maynard investigated.

**In Hospital**

Bruce E. Doolittle, Tahoe City, was taken to the hospital last Thursday after his vehicle crashed into a tree near Tahoe City and was wrecked. He told Patrolman Sheehan another car forced him off the highway.

**Brockway Crash**

Edwin D. Stewart, Corte Madera, told officers his car was struck by an Acme Supply Company pickup from Reno when he was stalled in the snow on the Brockway shortcut Sunday morning at 2:30. No one was hurt.

## Thieves Break Into Local Store; Fail To Locate Money

Local officers are apparently puzzled over the robbery of the Z Market at Gateway Park sometime Sunday night or early Monday morning.

A heavy screen over the window of the women's rest room on the alley in the rear of the store was cut and the thieves entered a rear room.

Files were opened and scattered and an apparent thorough search for cash was made. However, a check by the managers, Dave and Zeph Rose, revealed that nothing of great value was taken. A few packages of cigarettes were missing and it was evident that the thieves had enjoyed a light lunch.

That the culprits were experienced was evidenced in the fact that they either used gloves or were careful to remove all fingerprints as none was found by the investigating officers.

This was only one of several unsolved robberies reported and officers are inclined to believe they are the work of local people.

## Last Rites Held For Herbert King

Masonic funeral services, conducted by Truckee Lodge No. 200, with Worshipful Master Robert Critchley officiating, were held Saturday afternoon at the Truckee Colonial Mortuary for Herbert Thomas King, prominent Kings Beach resident, who expired last Wednesday afternoon.

King was a native of London, England, born January 28, 1889. He came to the United States in 1910 and had been a resident of Kings Beach since 1939. He was a veteran of World War I and was a member of the Veterans of Foreign Wars at Crystal Bay.

Active in civic and fraternal affairs, the deceased was a member of the Truckee Masonic Lodge and Carpenters' Local at Kings Beach. Although an active carpenter, King and his wife, Mrs. Dorothy King, operated a motel at Lake Tahoe.

Beside his wife, King is survived by a son, Norman and leaves two sisters in London.

Sympathy of his many friends and associates is extended to the survivors.

## HIGH SCHOOL PTA MEETS NEXT WEEK

The regular meeting of the Tahoe-Truckee Unified High School PTA wil be held on Thursday, November 8 at 8 p.m. in the high school. Miss Helen Strickland, Placer county secondary school curriculum consultant, will be the moderator for the program composed of a panel discussion by the high school teachers on core.

The executive board will meet tonight at the high school at 8 p.m.

— Vote Tuesday —

## Stice Ill

Earl Stice who has been on vacation was taken suddenly ill on Monday and has been a patient this week at Tahoe Forest Hospital.

Paul Doyle is temporarily taking his place as agent for the Southern Pacific Company.

— Vote Tuesday —

## Sitting Service

Donner Troop III, Girl Scouts, will offer their services as baby sitters for any voter to go to the polls on Tuesday, November 6th. Mrs. Frank Giovannoni is leader of Donner Troop.

## 25 Arrested Here For Violations In Either-Sex Hunt

The regular deer hunting season may not have been up to average but the last three days—open to killing either sex—proved to be most "successful" from all reports.

Hundreds of does and fawns were slaughtered in the open district and game wardens report that hunters failed to confine themselves to the open district as 25 were arrested in the region east of Truckee for having does and fawns in their possession.

Game Warden Irv Single said without exception these hunters had not availed themselves of the opportuntiy to study boundaries and all believed they were hunting in legal territory.

Two men, C. R. Garnett of Riveria and Ollie T. Morgensen of West Covina, were cited for failure to punch their deer tags, and Frank W. Eeis, Oakley, Leo William, Sacramento and Jessie K. Cobb, Sacramento, were nabbed for having loaded guns on a public highway.

Most of the arrests were made in the Boca, Hirschdale and Cox Delaney Flat area for violators with either does or fawns. This group included Forest J. Moore, Concord; Kenneth B. Knight, Richmond; L. V. Knight, Alameda; Edward Mullen, San Francisco; Paul Alveriett, Sharps Park; Robert Ansaldo, Daly City; Joe Mendez, San Francisco; William Lassner, Daly City, Tony Rivera, Yountville.

Thomas Kovar, San Francisco; Andrew Cardias, Millbrae; William R. Porter, Pleasant Hill; Sandra K. Miller, Suisun; Jim J. Yates, Sonoma; Jack L. Day, Sonoma; Delana Pierce, Sonoma; Ray Painter, Vallejo; John K. Simons, Vallejo; Adam Fimbrez, San Jose and Bernardo Mori, San Francisco.

All were cited to appear before Judge F. W. Wilson.

Reports of 15 to 30-pound fawns being killed were frequent as the fish and game department cleared out its herds.

— Vote Tuesday —

## Halloween Party Held By Local Girl Scouts

The Girl Scouts of Troop No. 2 held a Halloween party on Friday at the Wyethia Clubhouse between 7 and 9:30 p.m.

Prizes for the prettiest, most original and cutest costumes were given to Dianne Kaspian, Ellen Patnoude, Kittie Ellis, Ronald Brown, Daryl Brakefield and Bruce Strickler. The judges were Carol Ann Quilici and Shirley Taylor. Refreshments were served by James Roth, Diane Cardinal and Bonny Fair.

— Vote Tuesday —

## Mrs. Wilson Back After Bay Area Insurance Trip

Mrs. F. W. Wilson spent all of last week in San Francisco where she attended an advanced class in the study and programming of life insurance. Sessions were held at the St. Francis Hotel and Mrs. Wilson was selected as one out of 300 insurance salesmen to be advanced to highest class at the school despite her brief experience in the field.

— Vote Tuesday —

**OLD TIME DANCE**

Beginners in the art of square and folk dancing are invited by the Donner Dancers to attend free lessons at the Veterans' Memorial Hall each Thursday evening from 8 to 10:30. The dancers hold their regular sessions each Friday evening at the same place.

## SUNBEAMS

By WALTER M. BARRETT

We would feel remiss indeed if we didn't inject just a line or two asking every registered voter in this region to go to the polls next Tuesday and cast a ballot. It may not seem too important to you, but it is probably one of the most important matters in your life as a citizen. In our democratic way of life, the individual has the final word on who will represent him in government. Only those who vote have this final word, and every vote counts. See that your's is there to be counted.

* * *

Highest commendation to the Boy Scouts and Cub Scouts for their interest and work in getting out the voters next Tuesday. Even these youngsters realize the importance of the ballot.

— Vote Tuesday —

## SAN FRANCISCO FIRM LOW BIDDER FOR FLORISTON PROJECT

**Peter Kiewit Sons Company of San Francisco submitted the low bid for grading and paving 5.4 miles of four-lane freeway on new and existing alignment of U. S. Highway 40 from one-half mile east of Floriston to the Nevada state line, the Capitol News Service reports. The amount was $5,180,910.**

**The project includes an underpass at Farad. Bids were opened by department of public works at Sacramento yesterday.**

— Vote Tuesday —

## FAIR, HALL CLEARED BY TRUCKEE JURY

R. L. Hall of Long Beach and Wesley Fair of Truckee, accused of assault and battery by Peter DeFonte of Sacramento as a result of a dispute over the possession of a deer on the opening day of the season, were found not guilty by a jury in the Truckee Judicial District Court last Thursday night.

Vernon Stoll, district attorney, handled the prosecution and Harold Berliner of Nevada City defended the two. Justice Victor Montre of Nevada City presided.

— Vote Tuesday —

## Patricia Fox, Clayton Spining, Will Marry

The engagement has been announced of Miss Patricia Lee Fox, daughter of Mr. and Mrs. Neil A. Fox of Fair Oaks, to A|3c Clayton E. Spining, son of Mr. and Mrs. J. A. Frey of Tahoe City. The wedding will take place December 28 at the Fair Oaks Presbyterian Church.

Airman Spining is a graduate of Tahoe-Truckee High School and Miss Fox is a former student of San Juan High School and a graduate of Tahoe-Truckee High School.

— Vote Tuesday —

**Boy Named—**

Mark Edward are the given names of the son of Mr. and Mrs. James Luke of Sacramento, according to N. F. Dolley, the boy's grandfather.

**Hunting Here—**

M. T. McCallen was here from Citrus Heights during the weekend hunting with his son, State Patrolman Bud McCallen of the Truckee squad.

## Wolverines Break Into Win Column In Nevada Game

Coach Stan Drakulich's pass-minded Wolverines displayed their aerial circus last Saturday afternoon, and dumped a helpless Stewart Brave team to the tune of 26 to 0. It was the Red and White's first win of the season and was done in fine fashion against the final conference foe they meet this year. Tahoe-Truckee meets South Tahoe, the cross-lake rival, on Saturday, November 3, at South Tahoe; and then entertains the Grizzlies from Loyalton on November 10 on the Wolverines' home field, weather permitting.

There was no scoring in the first period of the Stewart game, played on the Manogue High field because of snow conditions, although both clubs missed golden opportunities as the Wolverines marched to the Braves' 20-yard line only to fumble away the ball. But the Braves returned the compliment a few seconds later as Floyd Cooper intercepted a Stewart aerial on the midfield stripe to set up the second Tahoe-Truckee drive.

The Wolverines were not to be denied and moved the ball to the Stewart 25 following a Brave punt, from where converted Halfback Bob Trask, who was the outstanding player on the field in all departments, blasted his way over left tackle and went into the end zone standing up. Frank Giovannoni's placement was blocked.

The second TD for the Tahoe-Truckee game via the aerial route as Cooper passed to Trask on two consecutive plays, with Trask making real pro-type catches on both plays. The extra point was added the same way, a pass from Cooper to Trask, and the Wolverines left the field at halftime with a 13 to 0 lead.

In the third period the Wolverines added six more points as Halfback Dean Holbrook electrified the crowd with a thrilling 70-yard romp on a off-tackle play behind excellent blocking. The conversion attempt was stopped short and Tahoe-Truckee held a commanding 19-0 lead going into the final period.

In the fourth, the Wolverines again used their newly found weapon to good advantage as they set up the final touchdown with passes by Cooper and Robinson to Doug Cooke, Trask and Rickert. The score came as Fullback Roger Halbert crashed left guard from the 5-yard line and weaved his way into pay dirt untouched. The extra point was added as Cooper passed to Trask and Tahoe-Truckee had won its first game of the season by 26 to 0.

— Vote Tuesday —

## Eastern Star Meeting To Fete New Members

The first stated meeting of the Eastern Star Lodge in November wil be held Tuesday at 8 p.m. Margaret Craig of Floriston will be chairman, honoring all new members who have been initiated or affiliated during the year. All members are asked to attend.

Mickey and Bud Mandeville, matron and patron, will preside and there will be reports from the Grand Chapter session held in San Francisco and Louise and Dan Anderson will report on their trip to Utah's OES Grand Chapter of which Mrs. Anderson is a grand representative.

— Vote Tuesday —

**Visit Snyders—**

Mr. and Mrs. Theodore Rupley and family of Placerville spent the weekend as guests of Sergeant and Mrs. Frank Snyder. While hunting at Juniper Meadow, Rupley killed a six-point, 180-pound buck.

— Vote Tuesday —

## Storms Continue In Sierra District

**The 5.40 inches of precipitation which fell in Truckee during October is 4.26 inches over the normal of 1.14 inches, the U. S. Forest Service reports.**

**During the last week the precipitation in rain and wet snow has totaled 2.95 inches with 14 inches of new snow to bring the total for the month to 20 inches. There were nine inches on the ground yesterday.**

**The storm added 16 inches of snow at Norden where the pack is now well over two feet. Chains were required from Reno to Baxter Tuesday night.**

**High temperature for the past week was 39 on Monday and the same day recorded the low mark of 16.**

— Vote Tuesday —

## SKI CLUB PREPARES FOR FUTURE EVENTS

An anticipated meet for the ski season will be the North American championships on March 9 and 10, when the Squaw Valley-Lake Tahoe Ski Club plays host to the continent's best skiers on the new downhill course running from Squaw Peak proper to the bottom of the lift.

The new lodge in the valley is scheduled to open on December 15, replacing the one leveled by fire. Reports indicate that it will have nearly 8000 feet of radiant heated sun deck. The dining room and upstairs bar will be double in size to what they were in the old lodge.

The lodge entrance level will include offices, lobby, three shops, a new beer garden, sports deck, and recreation room.

The lodge proper wil not be ready until mid-December, other accommodations are in condition as to permit opening of the winter season on November 22, Thanksgiving.

— Vote Tuesday —

## European Country Is Compared To Donner

Mr. and Mrs. C. A. Tollefson wrote from Lucerne, Switzerland, that the countryside looks like Donner Lake scenery. They were staying at Hotel Montana, Lucerne which, he said, is old but has thoroughly modern accomodations.

The local couple, with her sister and brother-in-law left for Austria continuing their tour.

— Vote Tuesday —

## James Leamon Given Tahoe Fish, Game Post

James Leamon of Sutter Creek was one of the 40 new fish and game wardens who have completed a 17-day series of classes in various phases of law enforcement work and will report to his new assignment by November 1st at Tahoe Valley.

During their training they participated in four weekend days of field work with regular wardens, in addition to the classroom study.

Formal on the job training will continue until January 1, 1957. During their first year as wardens they will be assigned to two months of additional training and experience with the department's fish and game management functions.

Warden Leamon has risen rapidly in the department since leaving Truckee to enter the state work.

It takes superior ability to preside at trials; elect Bowers. (adv)

## LOCAL COMMITTEE NAMED TO AID IN PASSAGE OF NO. 4

Formation of a Citizen Conservation Committee for Proposition 4, the oil conservation initiative measure, has been announced by its chairman, Hal Welch, restaurateur and president of the Truckee Chamber of Commerce. In his announcement Welch said:

"We are convinced that enactment of the oil conservation measure will bring many benefits to not only the people of Nevada County but to all the citizens of California. That's why we are going to do everything we can to insure its passage.

"Petroleum engineers whose professional standing and integrity are unquestioned say adoption of Proposition 4 will halt present waste in the production of California can produce the more the our present reserves of this commodity so important to agriculture and industry. The more oil California can produce the more the price of gasoline can be stabilized. This is an important item to the people of our county."

Other members of the committee include: Henry G. Loehr, member of the Nevada County board of supervisors; Ralph R. Frank, president of the Truckee Rotary Club; Charles R. Heller, president of the Truckee Public Utility District; Robert G. Leamon, immediate past commander of Truckee Post No. 439, American Legion, and Edward Frates.

## Placer Board Will Not Make Probe Of Utility

AUBURN — The board of supervisors has decided against undertaking a requested investigation of the North Tahoe Public Utility District.

The decision was reached after Deputy District Attorney Robert Thurn informed the board that in matters involving a public utility district, the supervisors had no power to act where such powers had been delegated to the board of directors.

The supervisors directed the clerk to inform the North Tahoe District of the district attorney's opinion.

The request for an investigation of the district was made in a petition, signed by 200 residents of the Kings Beach area. It requested the supervisors, the district attorney and the grand jury to participate.

## DRIVERS URGED TO STUDY NEW LAWS

SACRAMENTO (CNS) —Automobile drivers were urged today to "bone up" on new state laws, which R. B. Caldwell, state highway patrol commissioner. says are not being observed too effectively.

Among the newer laws, Caldwell cited:

1. Speed limit is 45 miles per hour when a passenger or commercial vehicle weighing less than 4,000 pounds is drawing a trailer.

2. Passing car on grade must be ten miles per hour faster than moving car when car being passed is traveling at 20 miles per hour or less.

3. Speed at "Yield" sign is 15 miles per hour, and stop required if necessary.

4. It is unlawful to dump garbage, or other refuse on any public highway or any public road, including any portion of right of way.

5. Vehicles may not be driven on highways with parking lights, except when they are being used as signal lights.

San Francisco's largest museum, the M. H. de Young Memorial, is located in Golden Gate Park.

**POST OFFICE STORY**

KINGS BEACH — Postmaster Carol E. Howard of Kings Beach has received word from John F. Fixa, president of the National Association of Postmasters, that the Post Office Operation will be featured on "Success Story", a live telecast from San Francisco on December 6 at 7 p. m. over Station KGO-TV, Channel 7.

## NOTICE TO VOTERS

**NOTICE IS HEREBY GIVEN** to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the sixth day of November, A.D., 1956.

FRANK M. JORDAN,
Secretary of State

**FOR THE VETERANS BOND ACT OF 1956**
This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

**AGAINST THE VETERANS BOND ACT OF 1956**
This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

This proposed law, by act of the Legislature passed at the 1956 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5f to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1956.

The people of the State of California do enact as follows:

Section 1. Article 5f is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5f. Veterans Bond Act of 1956

996.45. This article may be cited as the Veterans Bond Act of 1956.

996.46. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.47. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.54 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of five hundred million dollars ($500,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.48. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.49 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.49. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.50. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole or the unsold bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the unsuccessful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed, in case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.51. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.52. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.53. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all of the bonds herein authorized to be issued shall be sold at any one time.

996.54. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any deputy state controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.55. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.56. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a Joint committee of both, or any citizen of the State.

996.57. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1956, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1956," and the same square under said words the following in eight-point type: "This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1956," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." Opposite the words "For the Veterans Bond Act of 1956," and "Against the Veterans Bond Act of 1956," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and these voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1956," and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1956." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State to disseminate information relative to this act in accordance with Section 1, Article XVI of the Constitution. The costs of publication shall be paid out of the Veterans' Farm and Home Building Fund of 1943.

# TRUCKEE TIDBITS

By SWANEE

(Phone Truckee 188)

Deer season has closed and despite the added doe season many Truckee hunters failed to get their deer. A few of the lucky ones included Fred Pedley, Nat Quilici and Bob Siebold, all three of whom got a buck in Nevada and deer in the Sierraville area of California during the last few days of the season. Pedley's buck a four-pointer, was the largest of the big Nevada deer killed, having an antler spread of 28½ inches.

* * *

One of the amusing stories about Truckee folk was told about Mrs. Thelma Zuber who went out to hunt alone. She hadn't gone far when to her bewildered eyes there suddenly appeared a large buck who was accompanied by his family, a doe and fawn. Mrs. Zuber must have been seized with the proverbial "buck fever" for before she could overcome her astonishment and get her gun to her shoulder the trio fled. She redeemed herself with her family the last of the season, however, when she shot her doe in the Lassen area where she hunted with her husband and a party of friends.

* * *

Harry Parsons, Bud Owens and Dot Morhain returned to Truckee the first of the week from an elk hunting trip to Idaho where they were the guests of Mr. and Mrs. Lloyd Van Sickle at their Christmas tree cutting camp. Although they hiked for miles over hill and dale. Not one of the party sighted a solitary animal. Mr. and Mrs. Mike of Oroville were also members of the party.

* * *

Mrs. Gladys Quam of Truckee accompanied Mesdames Tom Sheehan and Martin Spitsen of Tahoe City to Reno last weekend where they were joined for lunch by Mrs. Dorene O'Rourke and Lenore Bartell, former Tahoe resident.

* * *

Mrs. Fred Pedley left the first of the week to attend the state board meeting held on the 30th, 31st, of October, through the first of November. She introduced a resolution for construction of a bridge over Emerald Bay to assure Lake Tahe a year round highway. Wholehearted support of the proposal was anticipated.

* * *

James Morhain, district governor of Nevada and Northern California 20-30 Clubs, will attend the first area convention of that group to be held in Reno on November 3-4-5. Among other matters of business to be taken up will be the formation of new by-laws for this district. Speakers for the occasion will include First Vice-President John Fleischman of Mexico City and International Secretary Doug Martin.

* * *

The party staged by the Truckee Sunshine Girls on Friday night last was reported by Mrs. Pearl Heller, their head, as both a social and financial success despite a heavy downpour of rain which struck the Truckee region that night. Their ritualistic work was highly praised by the Pythian Sisters and Knights of Pythias for whom they demonstrated, and the "Cake Walk" which followed later in the evening proved quite profitable.

* * *

Recent guests at the home of Game Warden and Mrs. Erwin Single in town were her mother, Mrs. A. G. McIntyre and sister, Miss Loree McIntyre of Sacramento. Miss McIntyre was enroute to her home after having completed a mission for the Latter Day Saints in Virginia which has kept her there for the past year and a half. The visitors enjoyed a week here after which Mrs. Single drove them home to Sacramento. Another recent guest of the Singles was Richard Bacon of Orangevale who spent the weekend here.

* * *

Mr. and Mrs. Russell York of Meadow Lake hosted an evening of bridge followed by refreshments on Saturday evening. Guests who enjoyed the occasion included Mr. and Mrs. Gilbert Kumle, Mr. and Mrs. Zeph Rose and Mr. and Mrs. Lynn Kishbaugh.

* * *

Mrs. Ruth Roberson, head teacher at Truckee elementary school, assisted by District Nurse Mrs. Charlotte Patnoude and staff, arranged a most enjoyable spaghetti dinner on Saturday last at the elementary school for the entire teaching staff, custodian, children and all attached to the school. Over $200 was raised for the Tahoe-Truckee elementary scholarship fund by the more than 150 persons who attended. Many of Truckee's merchants assisted in the project by contributing free food for the evening's menu, a gesture greatly appreciated by all.

* * *

The Women's Service of the Truckee Community Methodist Church reports results of the Wednesday and Thursday rummage sale in the basement of the church building last week highly profitable. They wish to thank all who donated clothing or articles to the sale.

SIERRA SUN ADS PAY!

## Grange Urges Building Highway For Olympics

Delegates to the 84th annual California State Grange convention in Long Beach approved a resolution urging the State Highway Commission to make U. S. Highway 40 a four-lane route between Sacramento and the Nevada State line by 1960.

A spokesman said the Grange has information that under present plans two stretches near the Donner Summit, one 11 and the other 12 miles long, may remain two lanes until 1964 or 1965. The Grange feels the two bottlenecks should be removed before the 1960 winter Olympics to be held at Squaw Valley, reached by U. S. 40, the spokesman added.

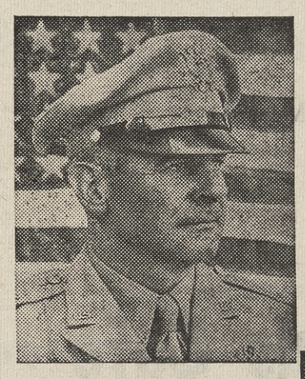
# "California Must Not Gamble WITH NATIONAL DEFENSE"



**Lieut. Gen. James H. Doolittle, USAFR**

"We must not gamble on National security. Oil is critically important to defense and we can't afford to waste it.

"PROPOSITION 4 will strongly affect our military strength."

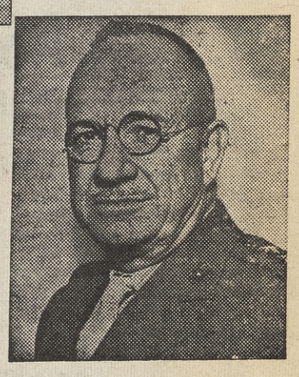
**Fleet Admiral Chester W. Nimitz, USN**

"PROPOSITION 4 is a true Conservation measure which will enhance the State's economy and contribute to the National security."

**General Omar N. Bradley, USA**

"PROPOSITION 4 is of paramount importance to our National defense.

"The current Suez Canal situation is a reminder of the imperative need of reducing our dependence on foreign oil."



**General Holland M. Smith, USMC (Ret.)**

"America must maintain the greatest possible production of oil to make an aggressor Nation think twice before attacking.

"PROPOSITION 4 will lessen our dependence on Middle East oil."

**OUR MILITARY LEADERS,** such as those shown above, are men highly regarded for their integrity. Just a few short years ago, when a world war threatened our safety on two coastlines, men such as these made the decisions that were vital to our National security. That they and hundreds of other leaders of real integrity now endorse PROPOSITION 4 *as a beneficial oil conservation measure* is assurance to the voters of the measure's merit.

PROPOSITION 4 IS ENDORSED BY LEADERS WHOSE OPINIONS ARE WORTHY OF PUBLIC CONFIDENCE.

# NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

**Orion Visits**

With all its wonderful undependable spooks and witches and warlocks and jack o'lanterns Halloween brings also an old and most dependable friend, Orion. It is one of the delights of fall that the mighty hunter (a little late for deer season here) starts his nightly strides across our winter skies. Look for him tonight just after sundown in the eastern sky. After all he has looked across at our old earth for many many winters—perhaps before we had winters!

**Halloween Party**

The PTA Halloween party Friday night was a great success. Much credit goes to Mrs. Dottie Caulkett, general chairman of the event, to Mrs. Doris Clark, refreshment chairman, and to Mrs. Beccy Shontz, who bought the prizes and marshalled the children into their various groups for the judging of costumes. Armen Abrahamian acted as master of ceremonies. The judges were hard put to it to choose "the prettiest one, the scariest one, the most original and the funniest." Mike Marvin was a mummy, Chipper a wonderfully horrible, leering spectacle, and Kim the ravishing bride of Frankenstein. Steve Horvath was completely disguised in a realistic giraffe costume made by his mother, and young Armen Abrahamian convulsed us all with his indescribable upside-down outfit. Among the many, many prettiest ones were Karen Henry, Danny Pomin, Kim Turner, Pam Clark, Gloria Lrum, Ingrid Kehlet, Rosemary Wray. The list grows too long. It was a wonderful party.

**At Crystal Bay**

Tahoe Cityites were well represented at the Crystal Bay Club Halloween party at Brockway put on by John Raeburn and Slim La Barde.

**Costume Party**

Among other Halloween events was a costume party given by Jack and Dorothy Van Allen in their Kings Beach home. George and Sylvia Hogan, Bob and Diane Hughes, Dave and Chick McBride, and Bob and Betty Jorgenson were among the guests whose identities as they arrived were cloaked in pirate garb, a Robin Hood, a Friar Tuck, a westerner, a ghost, a ragdoll—to name several of the delightful costumes.

**Tonsils Out**

Carl Ruhkala, aged three, had his tonsils removed by Dr. Ben King at the Tahoe Forest Hospital. He is back home now with his parents, Marshall and Joan Ruhkala of Lake Forest.

**Get Deer**

Ray Grahn, John Huber, and Fred Nyquist each got a deer near Elko in Nevada.

**Roads Good**

Even though the snow caught the division of highways with some (very few) of their snowstakes down the roads were kept in excellent condition during this last storm. And this was done in spite of the fact that Foreman Charlie Nielsen had no extra help since none of the extra winter crew have been added yet.

**Rotary Meets**

President Steve Korich presided over the Rotary meeting last Tuesday at Bacchi's Inn in Lake Forest. In lieu of a formal program the evening was spent in discussion of the various Rotary projects the members have underway and Jim Martin, chairman of the International Service Committee, reported on his correspondence with foreign clubs. Twenty-four members were present and one visitor, Stanley Pomin, Jr., of Sparks, who was introduced by his grandfather, Ernest H. Pomin. Clyde Curtis of Placerville, governor of Rotary District 164, will attend the next meeting of Tahoe City Rotary.

**Clothing Exchange**

Doris Day, publicity chairman of Tahoe Lake PTA, reports a successful clothing exchange at the last meeting. Money-raising propects were discussed and the need of a fence on the street side of the play-yard was decided upon Next meeting will be a night meeting and John Corbin, our new superintendent, and Bruce Wright of the Placer County Road Department, will be speakers.

**Celebrate**

Mr. and Mrs. James Day and children and Mr. and Mrs. G. H. Day who are neighbors in a duplex but who are not related celebrated George Day's tenth birthday by going into Reno for the day.

**Family Arrives**

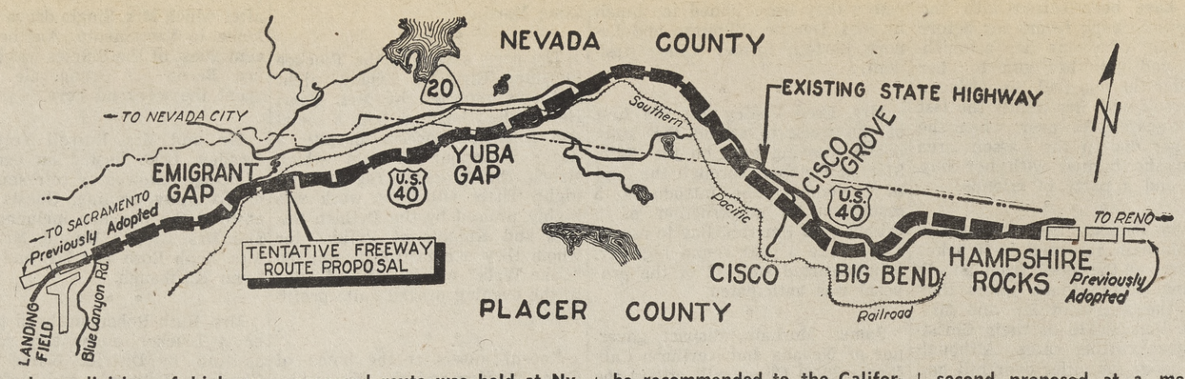
We are happy to welcome Mr. George Selkirk's family who moved this last weekend into the Sach place in Pineland. Selkirk, who has been here since October 1 as manager of the Pacific Tel and Tel, is happy to have his family here too. Seven-year-old George started to school Monday and left a little brother, nine-month-old Mike, at home.

**Leave For South**

Out in Tahoma, which is not famous for its noise or size anyway, things are becoming quieter yet. Mr. and Mrs. G. W. Haste left this week for their Southern California home. They will spend a week or so in Sacramento before going on.

**Winter Fishing**

Mr. and Mrs. Jack Smith closed their Tahoe Cedars Lodge and headed out with their trailer for the Colorado river where they plan to spend a month sunning and fishing before returning to their winter home in San Francisco.



The above division of highway drawing shows the new routing proposed for U. S. Highway 40 from Hampshire Rocks to Blue Canyon. A hearing on this proposed route was held at Nyack Lodge Tuesday morning with District Engineer J. W. Trask and his staff from Marysville outlining the procedure to be recommended to the California Highway Commission. No objections to the routing were voiced. This section will join a second proposed at a meeting in Truckee Tuesday afternoon which is shown on Page 1 of today's Sierra Sun.

## STRICTLY STRICKLAND

By Bill Strickland

The first big blowout of the year, ski wise, is being held this week in San Francisco. Roos Bros. are having their annual preski winter carnival and fashion show. The Sierra Loop is certainly well represented. Lutz Ayndeter from Edelweiss, Alex Cushing from Squaw Valley, George Canon from Heavenly Valley and Gordy Wren from the Reno Ski Bowl. From here on Highway 40, Frances Couillard of Donner Summit Lodge, Milt Hogle of the Soda Springs Ski Corp., and yours truly representing the Donner Ski Ranch. Roos' winter carnival is fast becoming one of the outstanding early season get-togethers.

* * *

By the time this reaches the press, the Community Club's Halloween party will have become past history. All the resort operators have chipped in with gifts and prizes, including also all day lift passes from Soda Springs Ski Hill and Donner Ski Ranch.

* * *

Edvi and Betty Aro have purchased Chris Windsat's house. They have been moving all week and the snows and rains haven't made it any easier. Rick Reed, who will this winter operate the rope tow and coffee shop at "Pla Vada" will move into Edvi's home.

* * *

Jack Woodard and family are leaving our Mountain Top this week. They will make their new home in Connecticut. Jack has returned to his old profession as an electronic's engineer. We're all sorry to see them leave, but all of us wish them great success in their new venture.

## TAHOE KEYS FILES FOR INCORPORATION

SACRAMENTO (CNS)—Articles of incorporation for Tahoe Keys, Inc., a $500,000 concern in a resort area development, were on file today with Secretary of State Frank M. Jordan.

Directors of the company, headquarters of which are in El Dorado county, are Vaughan Burlingham, Dixon; K. Grevstad, Piedmont and E. Hinman, Oakland.

## Employment Hits New High During September

SACRAMENTO (CNS) — California employment rose to the highest level on record in September, H. W. Stewart, director of the state department of employment, announced here today.

The peak totaled 5,735,000 persons gainfully employed during the month, primarily the result of seasonal employment in agriculture.

At the same time, unemployment dropped to a low of 111,000 persons, which was the lowest since World War II.

Glenn County was named for Dr. Hugh J. Glenn, an early-day political and business leader in California.

## ROSE BOYIAREDES DIES IN PLACERVILLE

TAHOE CITY—Friends and acquaintances here are saddened by the news of the death of Mrs. Rose Boyiarides last Sunday night at Placerville. She had gone there to visit friends and was taken suddenly ill.

Mrs. Boyiarides had been spending her summers at Tahoe and her winters at Castle Hot Springs in Arizona for the past 40 years and was widely and affectionately known throughout the region.

She leaves a sister and nieces in the East. Funeral services were not immediately announced.

## Tahoe Lake Level Rises As Storms Continue

TAHOE CITY — The level of Lake Tahoe is rising rather rapidly as snow and rain continue to fall in this area with the early winter storms.

Monday the level had reached 6227.98 and 372 csf of water leaving the gates. Precipitation for the past week, ending last Monday was 2.50 inches and it was still snowing. Eighteen inches of snow had fallen up to Monday. Temperatures range from a low of 15 Monday to a high of 49 last Thursday.

**Buy Home—**

Mrs. Richard Box wrote that she and her husband have bought a house in Oroville and after they are settled they expect to visit Truckee.

**ENTERTAINED**

KINGS BEACH—Mr. and Mrs. Jerry Little of Kings Beach entertained their daughter, Miss Sharon Little, her fiance, Fred Wofford and his parents, Mr. and Mrs. Loren Wofford, all of Fresno during the weekend.

## Personal Service Board At Lake Exchange Closes

HOMEWOOD—At 10 p.m. on October 31, the last living in-the-flesh operator closed the switch board of the Pacific Telephone and Telegraph Exchange here and all the phones from Bliss Park to Tahoe Pines went on complete automation.

For the winter, calls beyond the Homewood Exchange (now called Lambert) will go directly to the operators in Tahoe City. June 1, 1957 is the approximate date for the opening of the toll-tandem system which will put all the communities around the lake in direct connection with Reno or Sacramento operators depending on the direction of outgoing calls.

George Selkirk, manager of the telephone company, will have more news about the new building in Tahoe City and the whole system in the very near future.

**ROAD FUND**

SACRAMENTO—Robert C. Kirkwood, state controller, today informed the county road commissioner, that Nevada county will receive $22,245 as its share of the $6,280,935 in highway users taxes apportioned to the counties in October.

## School News

### TRUCKEE ELEMENTARY

Kindergarten: (Mrs. Osborn.) Our kindergarten family now numbers 28. Roxanne Guartney has returned from Sacramento, and Laurie Spann has transferred to our class from the kindergarten in Galt.

We had to work hard to complete our Halloween costumes in time to wear them to our Saturday night fun party at our school building.

First Grade: (Mrs. Camp.) Those receiving a perfect score in our first vocabulary test were: Gary Albin, Susan Schuler, Bill Cardinal, Bill Rose, Michael Davis, Philip Risden, Henry Frates, Ruth Notley and Michelle Harris. Those missing only one were Jennifer O'Bear, Michael Borden, Chris Kumle and Victor Moore.

Second Grade: (Mrs. Trask.) In arithmetic we have been receiving our number facts. Our objectives have been to listen, to follow directions, and to review basic facts in order to facilitate automatic responses. Eddie Steele, Jack Melugin, Ronnie Walker, Susie Olano, Gail Englehart, Gary Waters, Raymond Fitzsimmons did exceptionally good work this week.

We are happy to have John Spann in our class.

Third Grade: (Mrs. Roth.) As a follow-up of our trip to the Reno Airport, many stories have been written and many pictures have been drawn telling about the trip. Most interesting stories were written by Kathleen Kenyon, Dennis Stevens, Charles Trainor, Julie Knoff, Monty Straub, and John Besio.

Fourth Grade: (Mr. Stever.) Preparations for the Halloween celebration provided many laughs for the fourth grade pupils all during the week.

The new room committee composed of Gary Sturcke, Marty Hill, Gerri Steele, Teddy Daniels and Steven Rhoades was appointed for the coming month. Peggy Berger and Carol Kunkler were responsible for the lunch cards while Marty Hill, Gloria Jean Boyer, Linda Banyard, Linda Moran, Gerri Steele, Gary Jensen and Teddy Daniels were in charge of handing out lunch equipment at noon. The hardest working committee, the art committee, spent many minutes on decorating the room for Halloween. On this committee were Linda Banyard (chairman), Gary Jensen, Gerri Steele, Mike Ingalls, Linda Moran, Tod Bedrosian, Gary Sturcke, Steve Davis and Kenny Taylor.

Fifth Grade: (Mrs. Tiffee.) Steve Besio, Karey Kielhofer, Ronald Brown, Richard Saroni, Diane Cardinal, Susanna Sciutto, Liane Kay, Bonnie Fair and Sharon Rhodes made perfect scores in spelling this week.

We welcome Zeek Romo from Martinez. Now we have 38 in our class.

Sixth Grade: (Mrs. Roberson). This week our class made posters for the scholarship dinner and fun night. We had several lessons in printing to help us with the posters.

### TAHOE LAKE SCHOOL

Kindergarten, First Grade: (Teachers, Geraldine Bean.) Tahoe Lake kindergarteners and first graders are getting a thorough going over these weeks. Parent-teacher conferences are bringing proud and not so proud parents up to date on their children.

First and Second Grades: (Mrs. Beavers.) We have been decorating our room for Halloween.

Some interesting Halloween scenes were made in the second grade by Kim Marvin, David White, Rae Lee Grahn, Darlinda Stark, and Johnny Carnell.

Third and Fourth Grades: (Mrs. Farr.) The third and fourth grades moved back in time to the years after 600 to find the true meaning of Halloween.

Acclaims for the highest school endeavor were given to Joan Palmer, Karen McBride, Julianne Bechdolt, Donald Stowe, and Tommy Ruhkala.

Fifth and Sixth Grades: (Mrs. Rauscher.) Newly elected officers for the fifth and sixth grades were Mike Marvin, president; Joan Sevenair, vice president; and Chipper Marvin, secretary. Various groups in the class have written their own Halloween plays. The clever plays were presented to the class, and it was decided that "Scare Raids" was the most outstanding play. The cast includes: Howard Cincotta, Sheryn Abrahamian, Sanda Snyder, Sandy Fellows, Chipper Marvin and Sandra Riggs.

### KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen). Several children brought records for the class to enjoy. Those were: Pat Cinani, Kathy Critchely, Shari Decker, Jan Jenson, and Janice Wing.

Madelyn Mullis brought scraps of material for the children to use, to cut and paste.

The following first graders have received their new readers this week: Mike Cook, Randy Hiatt, Jan Jensen, and Ronald Smith.

Gregg Gunkle visited in El Cerrito over the weekend.

Second and Third Grades: (Teacher, Katherine Wing.) This week we saw a film titled "The Fireman." After viewing the film we started a mural about firemen.

Bruce Templeton brought his telescope to share with us.

Bruce Draney is back to school. Bruce has been in the Shriner's Hospital for seven weeks.

Sharon Birch has gone to visit her grandomther.

The following parents attended parent teacher conferences: Mrs. Jimmy Chastain, Mrs. Richard Clakett, Mrs. Joe DeGregoric, M. A. Newell, Mrs. K. Hiatt, Mrs. Ray Bergman, Mrs. T. Lausche, Mrs. Margaret Howell, Mrs. Frances Thompkins, Mrs. Jack Hallahan, Mrs. Ethel Harper, Mrs. Vera Fink, Mrs. Pearl Martin, Mrs. Mary Potkay, Mr. and Mrs. D. L. Hughes, Mrs. Ellen Templeton, and Mrs. Kathleen Robert.

Third and Fourth Grades: (Teacher, Dorothy Corbin.) We are very busy working on our social studies projects. Estelle Howell, and Ronnie Baker just finished making very nice pine baskets.

Carol Franklin brought an Indian dress and a baby cradle or basket, called a Hobe, which is pronounced as "Hoob."

Fifth and Sixth Grades: (Teacher, R. P. Bisio.) Suzie Lucas, Kim Molsberry and Larry Free have been absent all week. We hope that they will be back soon.

The Red Cross drive netted a full membership in the fifth and sixth grades. Chairman of the drive was Rene Roberts.

Mrs. Howell donated five folk dance records to the school for use in the folk dance class.

Fred Baker this week started clearing the ten acres back of the school building. This cleared land will become additional yard ground for the school.

---

Menlo Park was the destination of Mr. and Mrs. A. J. Ketman when they recently left Carnelian Bay.

## TnT Tidings

By JUDE' COMMAGERE

### "Trem"endous Homecoming

October 22 began a week of homecoming activity, sponsored by Block T.

The colors which represent Tahoe-Truckee High School, maroon, and white, were worn by the students on Thursday, boosting school spirit.

Friday 2 a rally was held in the gynasium. Tom Sheehan, Block T president, revealed to the students the football queen, Linda Loynd and her assistants, Anita Antillon, Pat Gunkel, Kirty Kiser, and Judy O'Neill.

An unexpected guest joined us in homecoming—Mr. Snow, changing the location of the football game with Stewart, from the Wolverine's home field to our hospitable neighbor, Manogue. This sudden change didn't however, lessen the spirit of the rooters and the driving spirit of the Wolverines, as they brought home a win of 26-0.

A dance brought the homecoming week to a successful close. Our gracious Homecoming Football Queen, Linda Loynd, made the following statement: "The spirit of the entire student body and the renewed drive were the basis of a wonderful week, climaxed by a terrific dance. I couldn't feel less worthy or more proud to wear the crown of Football Homecoming Queen of 1956."

### Welcome, Mr. Snow

Silently, but assuredly our annual visitor came to rest upon the ground, causing a good deal of commotion. Mom "un-stored" winter coats and hats, Dad purchased "anti-freeze," Brother primed and polished his skis, and Sister curled up with a book, and together the family enjoyed the familiar warmth of a crackling fire. Yes! our anual guest has arrived and a glance at the chipmunk's storage of nuts tells us that our visitor plans to stay a long time. Welcome to one of nature's most fascinating seasons—Mr. Snow.

---

The address change for the Jay P. Hills is from Kings Beach to Sacramento.

---

The Dave Gaynor address has been changed from Tahoe City to Sun Valley, Calif., in time to avoid the winter weather.

## Tahoe Items

Mr. and Mrs. William Haste were among those late in leaving Tahoma, going to Gardena last week.

---

In Carson City, October 20, Mr. and Mrs. Robert Gaw of Zephyr Cove welcomed a son.

---

Mrs. Emma Cope of Kings Beach wrote that they are now located in Carson City for the winter.

---

Federal tax lien was filed yesterday against Tahoe Biltmore, Inc., of Crystal Bay in an attempt to collect $12,390 in back taxes which the Internal Revenue Service says is due. The lien was filed by V. W. Evans, district director of Internal Revenue. It contends that the money is due for third quarter withholding and excise taxes.

---

Mr. and Mrs. William Tamblyn of Kings Beach are now in Nevada City.

POLITICAL POLITICAL

## WHICH COMMANDER-IN-CHIEF?

**When the American people vote next Tuesday, they will choose the man—who beginning January 20, 1957—is to be the commander-in-chief of all the armed forces of the United States. Will they throw out the present commander-in-chief—and replace him with an inexperienced novice?**

**These are times when one man's experience can mean the difference, between war and peace. Congress, for example, vests in one man alone—the President—the power to involve this country in a conflict anywhere in the world.**

**Obviously, one of the two presidential nominees does have the needed experience, and the other does not. Shall other factors then—group greviences and promises of materialist gains for farmers and labor group politicians—be given more consideration by the voters than they give to the military ability and judgment of a commander-in-chief—who happens also to have accumulated knowledge of every phase of world diplomacy.**

**What advantage are the material gains if the lives of our sons are to be lost in a war that could be avoided?**

**Is this the time to change the commander-in-chief?**

**Is this the time to take the risk of transition and of a period of "costly and dangerous trial and error" such as Mr. Truman prophesied in the event of the election of Mr. Stevenson?**

**Is this the time to change horses in the middle of the stream—to swap the nation's most experienced man in military affairs for an inexperienced commander-in-chief of the army, the navy and the air force?**

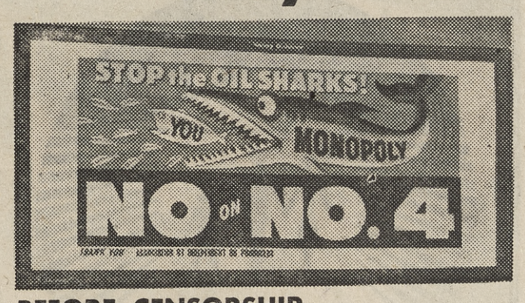
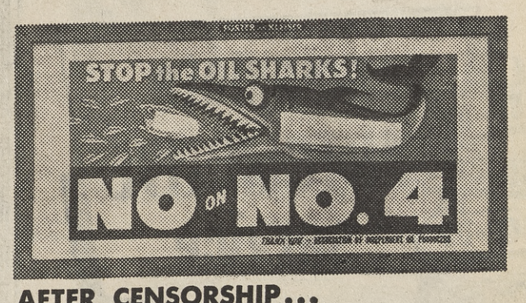
.....

# CENSORED!...
## ...by STANDARD OIL



**BEFORE CENSORSHIP...**
This billboard contains uncensored copy CONDEMNING PROPOSITION NO. 4 AS A VICIOUS OIL MONOPOLY BILL.



**AFTER CENSORSHIP...**
This is one of a thousand billboards censored with strips of white paper to blot out the words "monopoly" and "you."

On October 10, Standard Oil Company—a principal backer of Proposition No. 4—wrote a letter to California outdoor advertising companies objecting to the word "monopoly" in poster copy submitted by opponents of Proposition No. 4. The next day six companies refused to permit the words "MONOPOLY" or "YOU" on the posters. Six other companies —small independents—refused to be pushed around by Standard Oil and posted the original copy. Today, throughout California, these butchered billboards stand as shameful witnesses to Standard Oil's might. They prove that—WHAT STANDARD WANTS, STANDARD GETS—*UNTIL NOW!*

**Republicans, Democrats, Labor, Veterans, Businessmen, Legislators, Civic Leaders all say:**

**Vote . . . Vote . . . Vote**

If you ever voted in your life, vote on November 6th of this year. If you don't vote, forever hold your peace as you will have no right to critize the government that is elected to steer the ship of state during the next four years. It is your right so don't muff it. be a real American.

**I Should Say Not**

Oh yes, do you know I forgot to mention that the parents of Mrs. Ray Sorensen, who had the bouncing baby boy some days ago, are none other than Mr. and Mrs. Chuck Jones of Kings Beach. Just can't let Andy and Alice take all the credit, huh?

**Farewell**

The deepest sympathy has gone to Dorothy and son, Norman, at the loss of the husband and father, Herbert (Bert) King. Bert was well known through the area and was exceptionally community minded, being active in any project that arose for the betterment of the community. Having known Bert for about 12 years, I found him to be a wonderful father and husband. The past few years one could see him busy building their motel known as King's Court and he was erecting two more units at the time of his passing. He was active in the V.F.W. and also in the Masonic Order, belonging to the Truckee Lodge, which lodge officiated at the funeral services that were held in Truckee. The mortuary was filled with friends of the family. Bert was born in London, England, served in the U. S. Navy in the first World War. His work through life was well done.

**Wishing Well**

Well, of all things, now comes a letter from our old friend, Eugene Jarvis, of Eugenes Chalet, Crystal Bay. An airmail letter from London, England, tells of him getting sick in that old town, and lands himself in the hospital with a heart attack. But his letter, believe me, was the cheeriest one I've received for a long time. He tells of a couple of the most wonderful Irish nurses. "Just lovely," says Gene, and I believe him, too. He tells me he has lost 10 pounds already from the time he went to the hosiptal, where he was to spend 30 days. It seems so easy for me to say that, but I mean on his back. I wouldn't be a bit surprised to hear of Gene bringing someone back and not a male, either. He asked that the North Tahoe column be mailed to him by air. He already has a couple of copies. Write him The London Clinic, 20 Devonshire Place, London, W. 1. Good luck and get well quick.

**And Another**

And here we go again. Now it's that war horse, Mac Burroughs, that's under the weather, and will definitely have to take it easy for a while. I wonder if he will. That project of his, the new fire house, has been a real problem and lots of hard work, with Mac taking the brunt of figuering out the best and quickest way to get it up before the real weather sets in. He has the best wishes of all of us, and he tells me that some of the willing helpers have already promised that the building will be completed on schedule. What we want most is for Mac to get on his feet and get back to work. Good luck, Mr. Fireman.

**Party**

The Halloween party at Crystal Bay Club was the biggest ever held with approximately 500 attending. A buffet supper was served around midnight and the fun continued till 5 a.m. There were three figures dressed up to represent officers. One was Pearl Moore, president of the Ladies Auxiliary; one was Mike Kornazowich, post commander, and the other was Ray Plunkett, past commander of the V.F.W., 7077, Crystal Bay. It was one of the finest conducted parties ever held. The food was donated by the management of the club and many attended from outlying posts.

**Swing Low**

Johnny Schu, former chef of the Monte Carlo, and his wife, Marsha, are leaving shortly for San Francisco where he will work at the Gay Nineties Club. We wish them luck in S. F.

**Big Meeting**

Don't forget the 8th of November is the day for the big meeting at the Crystal Bay Club which will start at 9 a.m. All the high bracket individuals will be there from all departments of state and county. If you are interested in your community, in fact the whole area, you should bend every effort to attend. You will be well rewarded. Harold Johnson, state senator, will preside after being introduced by Fred Schultz, president of the Lake Tahoe Chamber of Commerce.

**Watch**

On the 13th of November there will be a big gathering of the Low Twelve of Truckee F.&A.M., at the Crystal Bay Club. This is just a reminder of the date, and more information will be forthcoming next week.

**Improvement**

I don't know just where the credit goes, but during the 1956 season this district court of Tahoe only had about 10 per cent of the complaints regarding starting fires in the area. Either the extra men of the U. S. Forest Service were extra vigilant or the people themselves have become educated and realize the tremendous hazzard caused by carelessly lighting fires. Anyway, it is very encouraging to all concerned to know of the improvements along that line.

**Christmas Trees**

Had the pleasure of meeting the new top men in the U.S.F.S., in Truckee, Roy W. Saarni, but the meeting was in the courtroom where the two men were cited for cutting Christmas trees. Sure early in the season for that. Let's cut this down too, shall we? Always remember its just as easy to do the right thing as the wrong, and a lot cheaper and more satisfactory to you at the end of the day.

**Shortcut**

Sure it is, the Truckee Shortcut has been fixed up quite a lot, and sure is a lot better than it was all through summer. It won't be long now until it will be a major asset to our fair community, but we shall have to keep our fingers crossed till we see it.

LIVE BETTER ELECTRICALLY

ELECTRIC HEAT . . . WHY?

COMFORT—comes naturally to homes heated electrically. Air is circulated gently and naturally. If is draft-free, and thermostate controls keeps this temperature at the point you select for each and every room.

Remember too, electric heat is second to none in dependability, since all automatic heating systems are based on electric starting and controlling devices.

## ORDINANCE No. 210

**AN ORDINANCE AMENDING CERTAIN SECTIONS OF ARTICLE III OF CHAPTER 2 OF THE CODE OF THE COUNTY OF NEVADA, CALIFORNIA, 1956.**

THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, DO ORDAIN AS FOLLOWS:

Section 1. (a) Section 2.19(A) (b) of the Code of the County of Nevada, California, 1956, wherein it provides:

Superintendent of Juvenile Hall $200.00 (plus meals and quarters) is hereby amended to provide:

Superintendent of Juvenile Hall $225.00 (plus meals and quarters but less $40.00 per month for each minor child).

(b) Section 2.19(A) (b) of the Code of the County of Nevada, California, 1956, is hereby amended to provide the following new position:

Assistant Superintendent of Juvenile Hall $200.00 (plus) meals and quarters but less $40.00 per month for each minor child).

(c) Section 2.19(A) (b) of the Code of the County of Nevada, California, 1956, is hereby amended by deleting therefrom the classification:

Custodian Grass Valley Veterans Building $210.00.

Section 2. Section 2.19(A) (a) of the Code of the County of Nevada, California, 1956, is hereby amended to provide the following new position:

| Custodian Grass Valley Veterans Building | | | | |
|---|---|---|---|---|
| Range Number (8) | A | B | C | D E<br>Range<br>210-220-231-243-255 |

Section 3. Section 2.19(C) of the Code of the County of Nevada, California, 1956, is hereby amended to provide the following new position:

Inspector of Roads and Bridges $400.00.

Section 4. Section 2.24 of the Code of the County of Nevada, California, 1956, is hereby amended to read as follows:

Section 2.24. VACATIONS, OVERTIME, SEVERANCE AND PARTIAL MONTHLY PAY

(a) VACATION LEAVE WITH PAY. Every employee who shall have been in the service of the county continuously for one year shall be allowed vacation leave of two calendar weeks on full pay annually, which vacations must be taken within the calendar year following the anniversary of employment and shall not be cumulative.

(b) VACATION CREDIT ON TERMINATION OF EMPLOYMENT. Upon termination of employment, the employee shall be entitled to receive pay for earned vacation at the rate of one day per month, from the date of anniversary of employment. The days pay will be calculated on the basis of the hours of normal work day multiplied by the hourly rate determined in accordance with Section 2.18 of this Code excepting where the basis of pay is by hourly rate.

(c) OVERTIME. For permanent employees, if in the judgment of a department head, work beyond the normal day or work week is required, he may authorize such overtime to be compensated for in equivalent time off. In unusual circumstances, on the recommendation of the department head and with advance approval of the Board of Supervisors, employees may be paid for overtime service at the same rate of which such persons are employed, and computed in accordance with Section 2.18 of this code.

The maximum amount of equivalent time off for overtime permitted in any one calendar year shall be ten working days, unless otherwise ordered by the Board of Supervisors.

No department head may employ a person from outside the service of the county, or from outside his department as a substitute for a regular employee who is on leave of absence with pay on account of overtime service, nor shall any department head assign or transfer any person who is on leave of absence with pay on account of overtime service, where such person assigned or transferred receives an incraese in pay as a result of such assignment or transfer, it being the intent of this provision that where persons are allowed time off with pay for overtime service the department must perform the work of such absentee without additional cost or expense.

(d) SICK LEAVE: Sick leave shall be considered as a privilege by an employee to use at his discretion, but shall be allowed only in the case of actual sickness.

Employees shall be entitled to one day sick leave with pay for each calendar month of service. At the beginning of each year after the first year each employee shall be entitled to twelve (12) working days' sick leave which may be used at any time during that year. If any employee does not take the full amount of sick leave allowed in any calendar year, the amount not taken may be accumulated from year to year but not beyond a total of thirty (30) working days. Such accumulation may be used under the condition specified above when required.

Sick leave is hereby defined to mean the absence from duty of an employee because of illness, quarantine due to exposure to contagious disease, attendance upon a member of his immediate family seriously ill and requiring the care of attendance of such employee, or death in the immediate family of the employee.

If absence from duty by reason of sickness extends beyond a period of three working days, the salary or wages as provided above shall be paid only upon filing with the County Auditor, a copy thereof with the head of the employee's department, a certificate of disability by a regular licensed and practicing physician. If such absence is continuing, such salary or wages shall be discontinued unless a weekly report from such physician shall be filed with the County Auditor showing the continuing disability. A certificate of disability as above provided prior to allowances of sick leave compensation is required.

(e) SEVERANCE AND PARTIAL MONTHLY PAY: In the event an employee commences work for the County after the first day of any calendar month, or terminates his employment with the County on any day before the last day of any calendar month, his compensation for the days actually worked within that particular month shall be calculated on the basis of the hours of normal work day multiplied by the hourly rate determined in accordance with Section 2.18 of this Code excepting where the basis of pay is by hourly rate.

Section 5. This ordinance shall go into effect thirty (30) days after the date of its adoption and shall be operative on and after the first day of December, 1956, and, before the expiration of fifteen (15) days after its passage, shall be published once with the names of the Supervisors voting for and against the same in the Sierra Sun, a newspaper of general circulation published in the County of Nevada.

Adopted and passed by the Board of Supervisors of the County of Nevada, State of California, on the 17th day of October, 1956, by the following vote:

AYES: Supervisors Clark, Coughlin, Robinson, Loehr.
NOES: Supervisors, None.
ABSENT: Supervisors Frank.

CURTIS R. CLARK,
Chairman of the Board of Supervisors of the County of Nevada, State of California.

ATTEST:
(Seal)
JOHN T. TRAUNER,
County Clerk and Ex Officio Clerk of the Board of Supervisors.

Glenn L. Martin, one of the world's great aviators and aircraft builders, built gliders in California as early as 1907.

## Early Snowfall Surprise To Hawaiian Traveler

The early snowfall prevailing here surprised Mrs. Elizabeth Bavier, local postmaster who returned from tropical Hawaii to resume her duties today.

Arriving in San Francisco by boat on Monday, the traveler said the weather was mild with sunshine and rain mingled, which did not prepare her for the blanket of white in the mountains.

By a convention between the United States and Nicaragua, proclaimed June 24, 1916, the United States acquired the perpetual right to construct and maintain a ship canal between the Caribbean Sea and the Pacific Ocean by way of Lake Nicaragua.

Copper mining in the Shasta district began in 1894 at the Iron Mountain Mine.

### CARD OF THANKS

For the many kindnesses and words of sympathy from our scores of friends, we take this means of expressing our most sincere and heartfelt thanks.

Mrs. Dorothy King
Norman King.

## Engle Announces Chance For Marine Applicants

Congressman Clair Engle of the second congressional district today urged those interested in attending the U. S. Merchant Marine Academy at Kings Point, N. Y., to submit their applications for nomination to the academy as soon as possible.

Engle pointed out that under a new law each senator and representative is entitled to name up to 10 candidates to the academy which offers a four-year course at college level. The candidates will then compete in mental and physical examinations with others throughout the United States. California has been allotted 18 appointments for 1957 out of a total of 300 for the incoming class.

The congressman said that to be eligible for nomination a candidate must be at least 17 but not have reached the age of 22 by July 1, 1957, be at least 5 feet, 6 inches tall, unmarried, and a legal resident of the congressional district.

"Those wishing to obtain an application blank should write me at my office—1323 House Office building, Washington, D.C.," Engle said.

## Basketball Season Starts At School

The Tahoe-Truckee High School basketball season got underway today, with the first call for practice scheduled for this afternoon by varsity coach, Jim Brehler, and junior varsity coach, Stan Drakulich.

All candidates for the two squads will work out together under Brehler until after the final football game on November 10. The squad will concentrate on shooting and fundamentals for the first two weeks, with the final team selections to be made by November 16.

This year's varsity shapes up as the most promising in the history of the young school, with a total of nine lettermen expected to answerswer the call for practice, along with a number of former squad members and transfers. Among the letterwinners, four varsity players for last season's team, which won six and lost ten, are seniors Bob Trask and Doug Wilson, and juniors Ken Vaughan and Floyd Cooper. Also expected to move up from last year's fine junior varsity team, which won ten while losing only five, are five lettermen, including seniors Doug Cooke, Wes Ball and Tom Sheehan; and juniors Ken Osburn and Berger Nelson.

The season schedule, still tentative, includes a December 8 opener at South Tahoe and follows with non-conference games with "AA" teams from Carson City and Yerington, Loyalton, Monogue, Douglas, Lovelock, and Winnemucca. The climax comes with the Zone tourney in Reno on February 27, 27, March 1, and 2, and the State in Reno on March 14, 15, and 16.

Season ticket sales and the complete 1956-57 basketball schedule will be announced next week. Halftime games between 7th and 8th grade teams will again be on the program for many of the Wolverines' home games, plus special entertainment from the Tahoe-Truckee band and marjorette corps under the direction of Jim Pringle.

## Girl Appeals For Return Of Doll Left On Bus

If found, a favorite pink doll belonging to Jennifer Ann O'Bear may play an important part in the happy recovery of the little six-year-old girl who recently underwent her second eye operation.

Jennifer believes that she left her doll, who has pink hair and a costume of the same shade on the 3 p.m. school bus, about October 19 in her excitement to get off and also pick up her books.

The operation occurred last Thursday at Reno and Jennifer is recuperating at home, longing to see and hold her best doll again.

Please call Truckee 83-J.

J. F. Adolph, a resident of Truckee many years ago wrote that he was not able to make his annual visit here as he has moved from San Francisco to Novato but plans on seeing local friends in 1957.

### METHODIST CHURCH NOTES

The Women's Society of Christian Service will have its regular meeting Monday night, November 5 at 8 p.m. at the church. Following the business meeting and Bible study, the program on "My Missions" will be led by Mrs. Jack Ellis and Mrs. Ben King. Refreshments will be served following the meeting.

Some local church members will be going to Reno Sunday night, November 4, to hear Bishop Donald H. Tippett of the California-Nevada Annual Conference of the Methodist Church speak to a group of all the Methodist Church people in this area and Nevada. All interested, please contact Rev. Osman.

## Work Is Started On New Roadside Rests In State

A schedule of proposed development for the initial phase of the new statewide roadside rest program for 41 counties in California was announced this week by Newton B. Drury, director of the state division of beaches and parks.

The 1956 legislature appropriated $450,000 for getting the program started and under the five-year plan of the division it is expected that $2,600,000 will be spent for establishment of the rest system.

One of the first will be built on Highway 40 between here and Sacramento.

Facilities in each camp will involve land acquisition, clearing, grading, planting, roads and parking, tables, refuse containers, comfort stations, water, signs and fencing and shade ramadas as needed.

**To Folsom—**
Mrs. Bob Euer has left for Folsom.

### GO TO THE POLLS TUESDAY

## Meeting At Crystal Bay Will Discuss All Issues

Civic leaders and all other residents of the Truckee-Lake Tahoe area are again reminded of an important meeting to be held next Thursday, November 8 between 9 a.m. and 4 p.m. at Crystal Bay Club at Lake Tahoe.

State Senator Harold T. Johnson of Roseville and Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce are arranging the meeting and state agencies and representatives of county government, resort owners and other business people have been asked to attend for a full discussion of any and all problems affecting the region.

Highways, with emphasis on the Emerald Bay problem, fish and game, and a dozen other matters will be on the agenda, Schultz declared.

### CHURCH SERVICES

Southern Baptist Mission services are held at 11 a.m. each Sunday in Capitol Hall by Rev. Gilbert Pierce. Sunday school classes are held each Sunday at 9:45 a.m.

## Ernest Fleming Now Has Position With Nevada

Mr. and Mrs. O. J. Rablin, returned to Roseville following last week's snow fall.

Mrs. Rablin said that her nephew, Ernest Fleming, who attended schools here has now completed his college course and has a position with the State of Nevada.

Fleming started his higher education after his return from U. S. Navy service.

## DISTRICT OFFICIAL ADDRESSES ROTARY

BROCKWAY—Clyde F. Curtis, district governor of the Rotary Clubs of the 164th District, addressed members of the Brockway Club last Monday and followed with a conference with the officers and committee members.

The theme was the Rotary's endeavor to promote international understanding, good will and peace throughout the world, through its 9100 clubs.
